

TEZLA GROUP

TEZLA Group is extending office hours!

As of November 1st 2011, Tezla Group will be extending business support hours from 7:00AM to 5:00PM, Monday through Friday, with after-hours technical support available from 5:00PM to 7:00PM by call-back.

Due to high customer demand, Tezla Group will be extending office hours to increase our level of support for our clients. We appreciate your business and we understand that your technology doesn't wait for our doors to open – so we're keeping our doors open longer!

After-hours support (past 7:00PM) and weekend support will be available by appointment and on an as-needed basis for emergencies by call-back and email support.
